

### LOWER PINES (LARGE) CABIN ROSTERS

We **strongly** recommend that you join with other schools while signing up for C.O.D.E.S. School at Mile High Pines and mix students from the different schools in the cabins, this helps eliminate school rivalry and helps keep the counselor number lower as you could share counselors and combine cabins.

Please make copies of this form (keep in mind that we have 6 cabins with this layout). Please send a copy of this roster to our offices (by fax, 909-794-2888). This is the form that we use to make trail groups and coordinate cabins with our accommodations staff.
